Monday – Pray for Your One

- **That They Would Know God.** Pray Psalm 4:6 - Many are asking, “Who will show us some good?” Ask God to reveal his goodness to your friend, especially in light of the suffering around them.
- **That They Would Know Their Sin.** Pray Romans 3:23; 6:23 - Ask that God would reveal to your friend their sin and need of a Savior. Acknowledge that our current suffering and grief is real and painful, and there is hope both for our sin and suffering.
- **That They Would Know and Believe in Jesus.** Pray Romans 5:8; 10:9 - Ask that God would help your friend to understand and believe the gospel, finding hope for today in Christ and for the future.

- Follow up with them by asking some of these questions within the hour after service:
 - What did you think of the service?
 - What stood out to you the most about the songs and what Pastor Scott said?
 - What are your thoughts about God?
 - Do you think that you have/want a relationship with God?
 - Would you be open to reading the Bible with me and/or my small group of friends who are believers? We talk about it every week.
 - Do you want to start your relationship with Jesus today?
